

March 3, 2021

***Greetings from your ICOMBO Newsletter Editor!***

I am working on the next edition of our newsletter which will feature our member organizations so that we can begin discussions around our purposes/aims and how they support multiple birth families in our communities.

If you could take a few minutes and complete the attached questionnaire, I will use it to introduce your organization to our members. Please submit this questionnaire along with a copy of your current logo so we can include it in our article.

Our deadline for this article is March 15th.

Thank you,

Terri Gillis, ICOMBO Newsletter Editor
